SUBJECT:

Intelligence Production Related to Low Intensity Conflict
(LIC)

1. We have received your request, dated 11 January 1988, for a list of LIC-related intelligence production throughout the Intelligence Community. [Redacted]

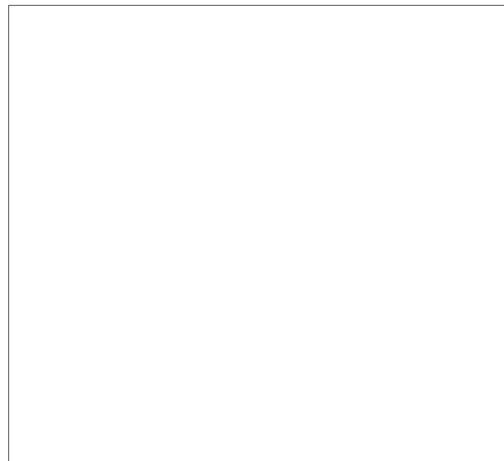

2. Based on the current activities of this staff, we are in a position to do two things for you:

a. Develop a list of non-serial LIC-related intelligence production for FY 1987.

25X1

b. Provide a listing of analyst-designated information gaps relative to LIC-related items in the current (FY 1988) National Intelligence Topics (NITs). [Redacted]

3. We expect to have both documents ready for you by the end of March. We regret that the small size of our staff precludes our playing a more active or prominent role in your work on LIC, but we trust that you will find our two documentary contributions useful. [Redacted]
